A friendship true is like pure gold—
it won't wear out because it's old.
Harriett Meisenheimer

A friend is a word the very sight of which
in print makes the heart warm.
Augustine Birrell

A friend is a rare book, of which but one copy is made. Author Unknown

We cannot tell the precise moment when friendship is formed. As in filling a vessel drop by drop, there is at last a drop which makes it run over; so in a series of kindnesses there is at last one which makes the heart run over.
Samuel Johnson
