Friday, June 28: *The Hate U Give*

7:00 p.m., Assembly Room

Starr Carter is constantly switching between two worlds: the poor, mostly black neighborhood where she lives, and the wealthy, mostly white prep school that she attends. Facing pressure from all sides of the community, Starr must find her voice and decide to stand up for what's right. *(Contains vulgar language)*

renew a personal friendship with Christ. Praying with Scripture is open to everyone, whether you have come regularly or are new to the process. The group meets **Thursday, June 13, at 10:45 a.m.**, in the Chapel. Contact Larry Fourman, (574)354-1171.

You will receive a bill for your purchases after delivery.

- 2) Random drawing. There will be a container with random topics in it for you to draw (e.g., tell about your first bicycle, what did your parents do for a living, did you follow in their footsteps, etc.)

All storytelling is optional - you don't have to share a story... you can come just to listen :-)

In addition to storytelling, Stan Noffsinger will introduce new members of the Timbercrest family and share a few updates on newsy items.

As always, refreshments will be served following. Bring a friend to this fun afternoon together.

Peace Corner

Many remember the infamous words of Neville Chamberlain on September 30, 1938, announcing that he and Adolf Hitler had achieved “peace for our time.” World War II began eleven months later.

Many remember the infamous words of Henry Kissinger October 26, 1972, that “peace is at hand” in Vietnam, virtually sealing Richard Nixon’s landslide election... only to see the war drag on three more years, ending with America’s withdrawal from the conflict and fall of South Vietnam.

Maybe there have been times you thought personal “peace” was imminent, only to be disappointed.

Where is “peace?” Peace didn’t disappear in the clouds of war in Europe, Japan or Vietnam. If anything, “peace” became more emboldened. Post-war energies created the United Nations, international treaties, just systems for the poor and disenfranchised and other peaceful efforts - all empowered by the end of war.

Peace usually arises out of adversity and conflict. Peace is more than a hope “at hand.” It is a reality to be cultivated daily so that when the difficulties arise - which they will - peace will be even more emboldened to create and renew again.

Health Care Friends

Alongside the Visitation Committee, which visits broadly in Health Care, several people have volunteered to be a friend to someone in Health Care or Crestwood who would appreciate a little more interaction. Laura Stone endeavors to pair people who have something in common, hoping for these relationships to be mutually fulfilling ones. Some friends talk, watch TV together, read, go to an activity together, send cards, celebrate birthdays, and more. Visits can be short or long, every other week or more.

Interested or feeling called to be a Health Care friend? Contact Laura at 982-3938 to explore the possibility.

Thanking Birthday Hosts

Birthday Dinners in June are hosted by Peoria Church (June 13) and Mexico Church of the Brethren (June 25). Invitations to June birthday honorees have been sent. Stop by and thank these volunteers for their time and gift of hospitality on behalf of Timbercrest.

Many Thanks!

The Spring Gala has passed but we want to especially thank the Food Service Department for the special meal, the Maintenance and Housekeeping Departments for help with moving and storing things and the extra volunteers who helped make cherry blossom branches and who donated Japanese articles for display and decoration. Thank you very much!

The Program and Services Staff

To Thank You

Thank you so much for all of the well-wishes and expressions of congratulations surrounding my ordination. Thank you also to all the residents who planned the gathering on Saturday. I feel incredibly blessed to minister in this place with you all – so many passionate and faithful people striving to create a loving community together!

Chaplain Laura Stone

Thanks for the Wall Flower Garden

Thanks from the Timbercrest Family to Tim Hoffman, Roger and Mim Eberly, June Stealy and Carolyn Bollinger. The Wall is a refreshing view for Spring and Summer.

Lounges Set Aside for Pet Guests

Starting July 1 Timbercrest will have designated lounges for overnight guests who want their pets with them for their stay. Lounges that are “pet friendly” will be Lower I and L Wings. All other all other lounges will not be “pet friendly.” Also, there will be an additional fee of \$10 per night, per pet, per lounge. Please note when guests/residents are reserving lounges you will need to ask if they will be bringing a pet with them. This will assure we are offering them a correct lounge.

This change helps address concerns about pet dander and behavior that have occurred in guest lounges recently. The lounges appointed do not have air that circulates into the rest of the Manor and also have outside access.

Voting Records Update

The Indiana Election Division recently sent out many postcards to registered voters in order to help verify addresses and active voting status. Many, but not all, voters received these post cards.

To respond: if you received a card at an address where someone no longer lives (i.e., one of the Neighborhood Homes), simply write “No longer lives here” and return the card in the mail. If you live in the Timbercrest Manor and the postcard was forwarded from a previous address, see Brian Daniels or Wanda Miller, who can help you with a change of voter address form.

The Wabash County Clerk’s Office sends updated voter information to Program and Services every year, about two months before an election. This list includes everyone registered to vote in the coming election.

November 5 is the next election. It is local/municipal offices only. More information will be provided this fall.

Piano Tuning

It is time to tune up Timbercrest pianos! If you have a piano in your home and you’d like a tune-up, contact Wanda Miller, 982-6189. Wanda will let you know the charges and schedule. (Timbercrest pianos are tuned at Timbercrest expense; personal pianos are paid for by owners.)

June Fitness Challenge

Daily Meditation and quiet time is the June Fitness Challenge from MoveWell Assessor Cathy Vasil. Take some time in your day to intentionally center yourself on life and the things that matter most.

Dining Room Reservations

Family and guests are always welcome in Timbercrest Dining Rooms. Please make reservations at least 24-hours in advance through the Timbercrest Receptionist (not through the Dining Room hostess or server). The Food Service staff appreciate everyone’s cooperation so the best possible service can be provided.

For the Glory of God and my Neighbor’s good

Medicare and Insurance Updates

Help keep Timbercrest files up-to-date. If you had a change in health insurance coverage during the past year or new coverage, bring new insurance cards to the Receptionist so a copy can be placed in your file. Correct information helps Timbercrest provide quicker service should the need arise.
