## Are You Ready to Rummage?!

The annual All-Resident Rummage Sale is **Friday, August 16, from 9:00 a.m. to 12:30 p.m.** in the Assembly Room. As always, your friends and neighbors will have tables full of goodies priced to sell. The seller keeps the money for items sold.

*Don't have enough for a full table?* Buddy-up with a friend to share a table. Have something to sell, but you don't care to get the money? Program and Services will have a table of things for sale and your items can be sold there. The proceeds from this table go into Resident Funds.

**All-Resident Meeting**  
**Thursday, August 8**  
**9:30 a.m., Assembly Room**  
Reports from Resident Council,  
Administration and Committees;  
meet new residents, too! ☺

Sellers are reminded that they are responsible for getting items to the Assembly Room and for selling the entire duration of the sale (or until sold out). Maintenance staff are not available to help move items or set up.

The Rummage Sale is open to the public, and there is generally a very good turn-out from people who do not live here. Sign up for tables in the Notebooks at the Dining Rooms by August 3. Contact Rhonda Nettrouer, 982-3925.

Set up for the Rummage Sale is Thursday, August 15. Chair Exercises, Tai Chi and Bingo are cancelled August 16 for the sale.

**Visitation Committee**

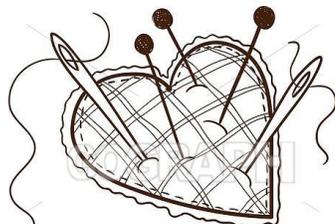

"Our society suggests that caring and living are quite separate and that caring belongs primarily to professionals who have received special training. Although training *is* important, and although certain people need preparation to practice their profession with competence, caring is the privilege of every person and is at the heart of being human."  
~ Henri Nouwen

~ Maria V. Snyder, *Storm Glass*

## Resident Council: How It Works ☺

The Timbercrest Resident Council is a body elected to represent the whole campus of concerns the resident community. Generally, the CEO and administration meet with Resident Council to hear those concerns and provide direction for resolution of situations that arise.

The Council is comprised of a mix of people who live in various areas of the campus, with representatives from Neighborhood Homes, Option-Plan Apartments, Full-Service Apartments and Health Care/Crestwood. New members are nominated by the Spiritual Life Committee and are voted on at one of the quarterly All-Resident Meetings.

The Resident Council usually meets the second Tuesday of the month at 8:45 a.m. in the Education Room in the west basement. (In months like August, where the scheduled All-Resident Meeting comes before the second Tuesday, the Council meets on the first Tuesday.) A list of Resident Council members appears each month in *The Timberline* on the Gold Page.

“Prayer is sitting in the silence until it silences us, choosing gratitude until we are grateful, and praising God until we ourselves are an act of praise.” ~ Richard Rohr

*Lectio Divina* (Holy Reading) is praying with Scripture. Texts are read slowly, paying attention to how God may be speaking to hearts and minds, trusting the Holy Spirit to speak through the text; we listen with silent and waiting hearts. His presentation for the Historical Society focuses on an excavation in 1990 when a construction crew unearthed a large tooth beneath Packerton Road northwest of North Manchester. The tooth and other remains in the rubble belonged to a mastodon that lived in this area over 11,000 years ago. Hunt will be bringing several pieces from his private collection including teeth, partial tusks and vertebrae from the Lewis Mastodont.

A Wisconsin native, Hunt attended Grace College, later earning B.S. at Manchester College and a Master’s degree from the University of Saint Francis. He taught biology and physical science in area high schools and as a member of the adjunct faculty at Grace. He and his wife, Darlene, continue to live in the area and have three adult children and six grandchildren.

### Gelassenheit

The culture of Old Order Groups (Amish, German Baptists and Mennonites) rests on the bedrock of *Gelassenheit* – a German word that roughly means “yielding and surrendering to a higher authority.” *Gelassenheit* is a broad concept, layered with many meanings – self-surrender, resignation to God’s will, yielding to others, gentleness, a calm spirit, contentment and a quiet acceptance of whatever comes.

The ways of *Gelassenheit* are difficult to comprehend in a world saturated with personal ambition, padded resumes and dreams of self-fulfillment. Whereas modern culture values personal achievement, advancement and recognition, *Gelassenheit* calls for hesitation, slowing up, backing down and giving up – giving up one’s stubborn will for the welfare of the community.

Based on Jesus’ words “resist no evil,” Old Orders object to using force to solve problems. Nonresistance – not resisting – embodies the essence of *Gelassenheit*, for it willingly accepts whatever comes – verbal assault without retort, bodily injury without retaliation, property damage without revenge, and financial exploitation without litigation. In the final analysis, nonresistance is defenselessness – a willingness to absorb malice and leave vengeance up to God... There are of course, lapses from these ideals, and Old Order groups use force themselves with the spank their children and excommunicate members. Nevertheless, they totally reject lethal force and admonish members again and again to uphold nonresistant habits.
