**Re: COVID-19 Status Update**

Scheduled employee COVID-19 testing is underway and at this time there is one positive case known.

Due to the positive case, testing of Manor residents (Health Care, Crestwood, and Residential) must occur within 24 hours per Indiana State Department of Health (ISDH) guidelines. Testing of Health Care and Crestwood residents has already begun and, at this time, one positive case has resulted. Residential residents will be tested tomorrow, Wednesday, October 28<sup>th</sup> and next week on Wednesday, November 4<sup>th</sup>. Our current level of restrictions is extended for another 14 days.

Residential residents are asked to come to the Assembly Room according to this week's testing schedule (below). Please come for testing at your wing's assigned time as much as possible. This ensures shorter wait times and social distancing requirements are kept.
