The Solution to Our Problems

Everyone has problems
in this restless world of care,
Everyone grows weary
with the "cross they have to bear,"
Everyone is troubled
and their skies are overcast
As they try to face the future
while dwelling on the past,
But the people with their problems
only listen with one ear,
For people only listen
to the things they want to hear
And they only hear the kind of things
they are able to believe
And the answers that are God's to give
they're not ready to receive,
So while the people's problems
keep growing every day
And man vainly tries to solve them
in his own self-willed way,
God seeks to help and watches,
waiting always patiently
To help them solve their problems
whatever they may be----
So may the people of all nations
at last become aware
That God will solve their problems
through FAITH and HOPE and PRAYER.

God never said die not, sorrow not,
or suffer not, but He did say, 'Fear
not!' And when you take the fear
out of life, then all the terrible
experiences---all the trials and all the
suffering---become bearable.
