Monthly Newsletter of TIMBERCREST Senior Living Community – January 2022

Marking Martin Luther King Day

Timbercrest will mark Martin Luther King Jr. Day with several activities during the day,

Monday, January 17.

- 1) There will be a service of song and reading at **2:00 p.m.** in the Chapel. Jeanette Lahman will accompany songs from the Civil Rights Era. Various readers will share excerpts from major speeches and events of the time.
- 2) Dean Beery will lead a discussion group on the progress of racial integration and the work that lies ahead at **2:45 p.m.** (following the service) in the Chapel.
- 3) Program and Services is collecting stories of civil rights and racial-justice activity accomplished by residents. These can be events you were involved with, persons you knew, actions you and others may have taken. Share your stories, in writing: a booklet will be prepared and given to local libraries, schools and churches. These should be personal stories (not things written by others). Submit stories to bdaniels@timbercrest.org or in print via Campus Mail by January 17. They will be collected, printed and shared soon after.

“TIMBERCREST STRONG”

by Stan Noffsinger, CEO

Throughout the pandemic, companies have used a phrase similar to “Timbercrest Strong” to highlight the diligence being demonstrated by their employees, and for a good reason.

At Timbercrest, over the decades we have experienced the strength and service of employees striving to provide the best of services and conditions, so residents could thrive. The pandemic has been no exception.

But we were tested again Tuesday, November 30, 2021, when staff saw water flowing out from under the restroom doors in the reception area at around 8:15 in the morning. Everyone pitched in to “stem the tide,” not realizing the magnitude of the tsunami!

An obstruction in the sewer line, coupled with a stuck flush valve, filled the lines with black water from the lobby area, Rose Garden kitchen, and D, E and F wings.

Quick work by staff secured local contractors to unplug the drain (Shankster Brothers) and evacuate the water (Cooks Carpet Cleaning). ServPro assessed, cleaned and removed floor coverings and walls that absorbed the water.

Staff, community volunteers, family members and three moving contractors relocated residents from E and F wings into vacant apartments. Most resident belongings were undamaged and either moved to their temporary accommodation or placed in storage. Over 500 boxes of belongings were moved.

(continued on page 2)

(Timbercrest Strong, continued from page 1)

A group of Manchester Church of the Brethren volunteers put together comfort packages delivered to the affected residents – and did they ever have some impressive looking goodies in them!

Now, phase two begins. We are working with our insurance company and contractors to repair the water damage. “How long?” you ask: we have to say that we do not know. It will undoubtedly take several months to complete the renovations. Only then will we be able to move residents back into their clean and refreshed homes.

The work has only just begun. But what has been observed by many is a culture of selfless, compassionate service. From those pitching in with the moves to others who filled the gaps in each department’s workforce, we have seen the true strength of Timbercrest. That strength is embedded in the fiber of everyday life where staff and residents work and live side by side to make the Timbercrest community something more. Timbercrest strong as we have seen it in action since the flood, is the embodiment of the tag line – “*MAKING GOOD THINGS HAPPEN, TOGETHER!*”

We are genuinely **Timbercrest Strong!**

Thanks from Staff!

The Timbercrest staff is deeply grateful and humbled by your generosity in the annual Christmas bonus. Many thanks.

Like 2020, 2021 was a year of great adversity for residents and staff. And yet, residents showed gratitude for staff’s efforts in the form of the annual Christmas bonus. A total of \$27,000 was collected, which came to a bonus of \$200 for full-time employees and \$100 for part-time employees.

Un-Decoration Week

Timbercrest goes back to “normal” appearances Monday, January 3. If you have wing decorations that you’d like to have stored, please contact Brian Daniels (982-3940) or Rhonda Nettrouer (982-3925). We don’t have space to store personal decorations, but items used for the whole wing can be kept in “Santa’s Workshop” until next Christmas.

Penguin Pursuit

Thanks for everyone’s help with the 2021 Penguin Pursuit! Look for our little flock to return when the north winds blow again next December!

Thanks, Deja, for “Elf on A Shelf”

Many thanks to Deja Lung for the fun she provided with “Elf on A Shelf.” Timmy is our Timbercrest Elf and he was found by many all over the Manor. Thanks to everyone who played along!

Remodeling on A Street Continues

Construction on A Street continues, remodeling the Snack Shop, Neighborhood Market, Canteen and other cosmetic details on the rest of A Street. Please be aware that the construction crew is doing their best to maintain resident safety.

It is hoped that the work will be finished by the end of January.

Neighborhood Homes Exercise Classes

June Stealy and a team of volunteers have put together exercise classes for Neighborhood Homes residents each **Tuesday and Thursday at 9:45 a.m.** in the Crestwood basement (according to the recent survey, these were the best options for the most respondents).

Classes began Thursday, December 16. Everyone in Neighborhood Homes is welcome to attend. The class is using familiar exercise videos for the time being. Once wifi service is set up in the Crestwood basement, a wider variety will be offered.

Sewing Sisters

The Sewing Sisters’ next meeting is **Monday, January 3, at 1:00 p.m.** in the Quilt Room on A Street. If you have questions or are interested in joining this group, contact Mary Ritchey 982-2112.

Storyteller: Tales of Chinese New Year

Storyteller Sharon Dillman returns to tell the story of the Chinese New Year in costume in the Chapel on **Friday, January 7, 2:45 p.m.** Everyone is welcome to attend. Chinese New Year (February 1) welcomes the “Year of the Tiger.”

Taking him in, they discover that he is Andrea, a violinist from Krakow, Poland, who had been swept off an ocean liner on which he was sailing to a fresh start in America.

Shopping Guidelines Change

Here's guidance for weekly shopping trips:

- 1) **Tuesday is the only day for shopping.**
- 2) Shopping lists are due at Jennifer Gearhart's office by **8:00 a.m. each Tuesday**.
 - a. You are welcome to ride along to do your own shopping!
 - b. To go, contact Jennifer 982-3959.
- 3) **Why Tuesdays?** The sale flier for Neighborhood Fresh runs through Tuesdays. This enables you take advantage of published sale prices. Manchester Marketplaces is also open Tuesdays (they are closed Mondays).
- 4) **Shopping pick-up time is at 3:00 p.m.** each Tuesday at Jennifer's office at the Hub. *Your shopping will not be available for pick-up before 3:00 p.m.* If you ride along with the shopper, you do not need to wait until 3:00 for pick-up.

Why this change? With the reduced demand for staff shopping, we hope to be able to better manage the time spent shopping.

For the glory of God and my neighbor's good.

- Christopher Sauer, 1695-1758

Recycling Space Spruced Up

A new space for recycling comes in the form of a "hutch" in the Residential Activity Room on A Street. The hutch is from long-time Peru resident Betty Burkhart. Betty grew up in the North Grove Church of the Brethren near Amboy, and after marriage she joined the Peru congregation for the rest of her life.

The top of the hutch features lighted glass shelves for displaying more resident and employee collections, arts, crafts, etc. This is in addition to the display case on A Street.

The drawers and doors of the hutch will be labeled for prescription pill bottles, light bulbs, etc.

There will be two new bins beside the hutch, one for recyclable paper and the other for trash.

This center is for items not permitted in the general recycling in the bins in each wing. This includes batteries, lightbulbs, egg cartons, grocery bags, orange prescription pill bottles and lids, etc.

A Glimpse at Our Past

Over 1500 people have called Timbercrest "home" since the move from Mexico, Indiana, in 1968. The living conditions have changed radically since Levi Miller first housed older adults in the Mexico Brethren meetinghouse, but the concept of home, family and community has always been part of our ethos.

Ira Frantz was Janet Rhoades' Grandpa. Ira and his second wife, Alta Williams Frantz, were two of the first fourteen residents when Timbercrest opened in North Manchester. Jan writes:

"Grandpa grew up in Wabash County and met my mother's mother at Bethany Bible School (now Bethany Seminary). From there they went to Mount Morris College and worked at the orphanage at the Mexico Home. The board and room and \$30 dollars a month got them through their education at Mount Morris College. He was a minister during the times when many ministers needed to have another job along with serving a church.

"They went to Colorado, where my mother's mother Hattie Sellers Frantz died in 1930 during the Great Depression. They owned, edited and set print for the *Fruita Times*. Without her help he was not able to keep the paper going and had to close it down. He went to digging graves in the cemetery where she was buried. He would dig the grave and then dress to officiate at the funeral. They lived on the grounds where my mother, Ruby, and her older brother, Galen, enjoyed playing in the creek. Alone and poor, he was not able to keep the children with him and placed them in foster homes of families he knew. When they were 9 and 11, he loaded them up in a Model A Ford and brought them to N. Manchester so they could get a college education. I have counted how many of his children, grandchildren and greatgrandchildren have graduated from Manchester College. It was in N. Manchester that he married his second wife, Alta Williams."

Ira was blind in his later years, so Jan's uncle made a clipboard with notches and a rubber band that he could move from notch to notch, so he could keep track of the lines he wrote.

HOME by Ira Frantz

Timbercrest is a home built for you, friends
Timbercrest is a home built for me;
Its comforts are all planned for your use, friends,
And its carpeted halls are for me.

In this home we are brothers and sisters,
And our parents are younger than we;
Our men are inclined to wear whiskers,
And our ladies are lovely to see.

Three times daily we go to the table,
Where of excellent food we partake;
After breakfast we go to Chapel,
And together the Bread of Life we break.

Our residents all try to be helpful;
The blind someone is eager to lead;
And persons now grown helpless and fretful,
Some kindhearted one gladly will feed.

We are nearing the end of the road, friends,
We will soon reach the end of our way;
Just once more we will change our abode, friends,
And this change we may make any day.

Refrain:

Home sweet home! Home sweet home!
Where our spirits soar and grow tall;
Home sweet home! Eternal home!
And the last one will be the best home of all.

Hymn Sings

Every Thursday there is a Hymn Sing at **10:15 a.m.** in the Crestwood Great Room. Piano music is provided and everyone sings along.

Welcome to the Family

Lois (Montel) Gearhart moved to M1 on November 30 from her home in Warsaw. She chose Timbercrest because several friends and relatives had had good experiences here. Lois enjoyed scrapbooking and crochet, and she delighted in new experiences such as having her first flight at age 90 with a granddaughter. She spent 25 winters in Florida. Lois and her husband, Bob, who died in 2013, have three children, six grandchildren, and thirteen great-grandchildren. She is a member of the Eel River Church of the Brethren.

Special thanks to JoAnn Schall for writing up these narratives for the Timbercrest family.

Peace Corner: Peace and Cognitive Impairment

For older adults there are few “disturbers of the peace” more ominous than the possibility of developing dementia or other cognitive impairments. There is a projection of 13 million Alzheimer’s patients by 2050. One-in-nine people over 65 has it... and two-thirds of them are women. It is truly a “disturber of the peace.”

How can we make peace with this? The graphic (*above right*) provides some suggestions for being a peacemaker for those who are dealing with this issue. Friends, family members or caregivers can bring peace through a calming presence, a soft voice or quality time. The one with dementia has both peaceful moments and times of great agitation. The presence of a “peacemaker” can be invaluable.

What about peace for those facing a journey into the disease? Being at Timbercrest or another loving, caring community is vital. Being around people who understand is one of the best routes to peace.

Unconditional love is vital. Someone may not remember your name, where they are or what day it is, but they always know they are loved. They may not be able to communicate love in return, but they know when someone cares – and when they don’t.

People with dementia live in a different reality. Enter that reality with them. Spouses, classmates and former work situations may be as alive to them as the person who sits next to them. Adult children are kids again in their mind. Entering their reality through a calming discussion can bring serenity. Peaceful diversion are great blessings: “I haven’t seen them recently. Can you tell me about them?”

Be a peacemaker for those living with dementia and their loved ones. It will change their world.

LIVING WITH DEMENTIA

1. Agree, never argue
2. Divert, never reason
3. Distract, never shame
4. Reassure, never lecture
5. Reminisce, never say "remember"
6. Repeat, never say "I told you"
7. Do what they can do, never say "you can't"
8. Ask, never demand
9. Encourage, never condescend
10. Reinforce, never force
