Re: Vaccine and Booster Clinic – Coming April 26, 2022

“The U.S. Food and Drug Administration (FDA) authorized a second booster dose of the Pfizer and Moderna vaccine for individuals 50 years of age and older or for individuals with an immunocompromising condition. This dose can be given at least four months after receipt of a first booster dose of any authorized or approved COVID-19 vaccine. Pfizer vaccine can be administered to those aged 12 or older and the Moderna vaccine can be given to those age 18 or older,” Indiana Department of Health Newsletter, 3/31/2022.

Engleking Pharmacy will be in the Assembly Room on Tuesday, April 26, 2022, to administer COVID-19 vaccines to ANY Timbercrest resident or staff member. The Pfizer and Moderna primary series and booster vaccines will be available.

Register your interest for a COVID-19 vaccine dose by signing up at the Hub screening desk by Friday, April 22nd. You will be given vaccination registration and consent form. Please complete the form and bring it with you to the vaccine clinic along with your health insurance card(s).

The hours of the clinic will be determined by the number of individuals interested and will be communicated as soon as they are set.
