### Spring Farmers Market

We are excited to host the 2026 Spring Farmer's Market on **Tuesday, May 12 in the Assembly Room**. The market will be open from **4:30 p.m. until 6:30 p.m.**

What began as a one-time event to bring the Farmer's Market to our residents, has grown into a sprawling market consisting of many vendors held in May and again in September. Vendors will be on hand with fresh produce, home baked goods, farm-fresh eggs, pasteurized meats, and hand-crafted items. A food truck will be stationed in the Hub parking lot. If you know someone that would be interested in participating, please direct them to Adrienne at 260-982-3940.

The market is open to the North Manchester community as well. Come early to get the best choices! Although some of the vendors may be able to accept card payments, I urge you to use cash, if possible.

### Rhubarb Galore!

I'm told that we have an abundance of rhubarb available for residents and employees. If you are interested in getting rhubarb or some starts, please contact Mary Ebey at 982-2366.

### Timbercrest Community Mobile App

I am excited to share a project that has been progressing over the past several weeks the Timbercrest Community

Mobile App. This will allow you to keep up to date with all things Timbercrest. It is available for download on any smart device.

A list of daily activities is available with the tap of an icon. There is a feature to export the event to your personal calendar. If you prefer to view the slides from Channel 2, you can easily scroll through them at your pace. If you are away from home and need to contact a neighbor, simply pull up the resident directory. There you will find not only their phone number, but also their email address. Some may even have a photo uploaded! The same can be said for the staff directory. It's often difficult to find us in our offices. Simply click on the employees name and send them a request to contact you.

The community information icon holds the keys to the kingdom: Resident handbooks, Neighborhood Market hours, Timberlines past and present at your fingertip. You'll also find the link to the Timbercrest YouTube channel for easy viewing.

You will need a log-in and password to get started. Adrienne has this information and will be happy to help you navigate through the initial steps. You can also seek the help of resident ambassadors Gary Heisler, Tim Ritchey Martin and Dean Beery. We are excited to share this new feature with all of you!

A copy of the proposed changes has been made available in the Hub. You can make a copy of the proposed changes to read. You may direct any questions to Council Members.

Although the theme of the music is “morning”, the program will begin in the afternoon at **2:00 p.m. in the Assembly Room**. Our rhythms of beginning a day vary: some are ready to begin their day “at the crack of dawn”; others are willing to let the sun get a head start before greeting a new day. The texts of the songs for the program refer to morning and vary from “Morning Has Broken” to “Oh, What a Beautiful Mornin’”. How many songs can you name that refer to morning? Perhaps your favorite morning song will be included in the program.

Hope to see you for this afternoon of music.

To help determine what is needed, please let Adrienne know if you are planning to utilize said transportation and what days/times are of most importance to you. We are also looking for people willing to help with driving the bus. You can relay your interest to Adrienne as well.

As in years past, we'd like to make the evening worship service available via live stream in the Chapel. If you are interested in helping to facilitate that, please, let Adrienne know. We are looking forward to a great conference year with a record number of our residents being able to participate!

## Special Invitation

Dear Timbercrest Residents, (old friends and those we haven't met yet). This is a special invitation from Dave and Lois Good:

May 30<sup>th</sup> is our 50<sup>th</sup> anniversary. We wanted to do something special for the occasion and came up with this idea of sponsoring a benefit concert for the local food pantry. Lois had volunteered at the food pantry and the thrift store for five or six years at their old locations.

Friends With the Weather and Joe Reilly from Detroit, Michigan are the featured musicians. We're counting on this being a fun uplifting concert filled with joy, hope and inspiration! We would love to have you join us!

**Saturday, May 30 from 6:30 – 8:30 p.m. at the Manchester Church of the Brethren.** Admission to the concert will be a donation of canned goods/dry goods/paper products or cash donation.
